Academic Progression Committee

The Academic Progression Committee is responsible for reviewing the academic progress of professional students at the completion of each semester. The Committee informs students in writing of academic deficiencies and provides an action plan to remediate their academic deficiencies before they are allowed to progress through the professional curriculum.

Charges to Committee:

1. Evaluate students in academic difficulty and determine sanctions according to the academic progression policy.
2. For 2018-2019, examine our ability to identify struggling students early and our ability to get them the help they need to be successful. Develop new programs to ensure optimal identification and management.
3. Provide reports to faculty at appropriate faculty meetings twice annually and provide year-end summary report to Dean by June 15. The report should include attendance at the meetings. Items suggested for dean or faculty approval should be provided to the dean in a timely manner.

Committee Members:
Barbara Collins, MEd - Chair
Bernard Futscher, PhD – Rotating Member - 2018-19
Jason Karnes, PharmD, PhD, Rotating Member – 2018-2019
Jeannie K Lee, PharmD, Assistant Dean for Student Affairs (Ex-officio)

Admissions Committee  
Admissions_Committee@Pharmacy.Arizona.EDU

The Admissions Committee evaluates the qualifications of applicants and recommends candidates for admission to the college. It recommends policies, procedures, and requirements for admission, evaluates the criteria and methods used for appraisal and selection of applicants, and solicits the help of faculty and students with regard to the interviewing of applicants.

Charges to Committee:

1. Continue to explore new ways and means for our holistic review process in evaluating applicants.
2. Admit upcoming class.
3. Determine what steps would need to occur to implement a 0-6 PharmD program.
4. Determine what can be done to increase our applicant pool with a special focus on attracting a more diverse student body and more out of state students.
5. Assess the association between using PharmCas and application numbers and quality.
6. Provide reports to faculty at appropriate faculty meetings twice annually and provide year-end summary report to Dean by May 23. The final report should include a summary of the year and brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the Sharepoint drive created for the committee. Items suggested for dean or faculty approval should be provided to the dean in a timely manner.

Assessment Committee  
Assessment_Committee@Pharmacy.Arizona.EDU

The committee is responsible for advising the dean and college on assessment steps to continuously improve the effectiveness of all its programs toward meeting its vision, mission and values. The committee will assist, in an advisory capacity, department heads and departmental evaluation committees in the annual review of college wide performance in meeting goals and objectives. **In order to orient more faculty to the assessment processes, no member other than the chair may serve more than three years in a row.**

**Charges to Committee:**
1. Evaluate mechanisms by which the student portfolios can inform this committee and the curriculum committee of changes that might be needed in the curriculum and co-curricular activities for students.
2. Monitor the peer assessment of teaching that is administered by the department heads and assist as needed to insure assessment of faculty early in their employment at the College as well as through to promotion to full professor and after as needed.
3. Set up assessments when novel uses of technology and teaching methods are introduced in the classroom.
4. Monitor assessment metrics for teaching, research, and service outcomes.
5. Determine and monitor the approaches the college should use to document student attainment of core competencies via the PCOA prior to the beginning of APPE’s.
6. Assist Curriculum Committee in determining curricular shortfalls in preparing students for PCOA and NAPLEX.
7. Monitor critical elements of the teaching program (e.g. teacher/course evaluations), particularly including new course offerings (in conjunction with Curriculum Committee).
8. Monitor results of the various AACP/ACPE surveys for the items related to this committee to determine if problems are occurring and remediate any that are detected. Questions to monitor: Monitor all items for Graduating Students; Faculty = #s TBD; Preceptors = #s TBD; Alumni = #s TBD. Note: only the graduating student survey will be conducted annually.
9. Set up assessments when novel uses of technology, active learning, and other innovative teaching methods, and are introduced in the classroom.
10. Evaluate student and faculty perceptions of alternative course delivery (flipped etc.) and how it impacts learning and other outcomes (learning and even how students perceive/feel).
11. Provide reports to faculty at appropriate faculty meetings twice annually and provide year-end summary report to Dean by May 23. The final report should include a summary of the year and brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the Sharepoint drive created for the committee. Items suggested for dean or faculty approval should be provided to the dean in a timely manner.

Curriculum Committee

The Curriculum Committee conducts systematic examinations of the present professional practice curriculum to identify material no longer relevant to the college goals, material not adequately covered in the curriculum, and needed additions to the curriculum. It develops and revises the curriculum as needed for the pre-professional and professional program and presents these to the faculty for consideration. The committee is also charged with reviewing and evaluating the educational program objectives of the college. In order to orient more faculty to the curriculum processes, no member other than the chair may serve more than three years in a row.

Charges to Committee:
1. Ensure that the curriculum provides an educational program responsive to contemporary and emerging professional roles for pharmacists. Deliberations may be based on, but not necessarily limited to, Joint Commission of Pharmacy Practitioners 2015 Vision Statement (recently updated), 2016 ACPE Standards and Guidelines, and the AACP 2013 CAPE Educational Outcomes.
2. Track the outcomes of new course offerings with assistance of the Assessment Committee.
3. Ensure final development of new courses and their UA approval in a timely fashion.
4. Examine approaches that might be used to ensure that our curriculum is up-to-date across all disciplines. Determine curricular shortfalls in preparing students for PCOA and NAPLEX. Link with the Assessment Committee as needed for this charge.
5. Critically evaluate ways the curriculum might be enhanced to differentiate our students from other colleges of pharmacy.
6. Continue new curriculum development and transition.
7. Review the prerequisites for the PharmD program and make recommendations on edits if needed.
8. Identify IT-related gaps in the curriculum.
9. Monitor results of the various AACP/ACPE surveys for the items related to this committee to determine if problems are occurring and remediate any that are detected. Questions to monitor: Graduating Students = #s 11 through 46 and 70-72, 75, 76; Faculty = #s TBD; Preceptors = #s TBD; Alumni = #s TBD. Note: only the graduating student survey will be conducted annually.
10. Provide reports to faculty at appropriate faculty meetings twice annually and provide year-end summary report to Dean by May 3. The Faculty Council serves to provide a voice for the faculty in the governance of the college and is advisory to the dean. The council will regularly consult with the dean and leadership of the college and invite them to attend meetings to offer input when necessary. The Council will consist of three elected members from each department. Members will serve 3-year staggered terms with one member from each department rotating off annually.

Individuals may not serve consecutive 3-year terms in order to insure opportunities for many faculty to participate in shared governance over time. The council will elect its chair from among the elected members and schedule its own meetings.

**Charges to Committee:**

1. Evaluate proposed faculty awards and recommend which the College should implement.
2. Determine how the extra space from the Skaggs addition (receptions, faculty lounge) should be utilized.
3. Craft recommendations for a pharmacy seminars for the public and school kids
4. Provide reports to faculty at appropriate faculty meetings twice annually and provide year-end summary report to Dean by May 2.
