

Hello fellow R. Ken Coit College of Pharmacy Alumni,

The Alumni Council was formed to help increase alumni involvement with the R. Ken Coit College of Pharmacy. One of the major initiatives we have undertaken is to improve and expand recognition of the many outstanding alumni of The University of Arizona, in addition to the awards offered through the University of Arizona Alumni Association.

Each year at Homecoming, we recognize Pharmacy alumni who have distinguished themselves through professional achievement, service, and leadership. The R. Ken Coit College of Pharmacy Alumni Council presents the following awards:

The Jack R. Cole Distinguished Alumnus Award - Recognizes an alumnus or alumna whose lifetime achievements, leadership, and service have brought distinction to the profession of pharmacy and the R. Ken Coit College of Pharmacy.

The Danny and Rae Jacob Award for Pharmacy Practice - Recognizes an alumnus or alumna who has demonstrated excellence in pharmacy practice and made significant contributions to patient care, the profession, and their community.

Professional Achievement Award – Recognizes alumni who have achieved exceptional accomplishments in their careers.

Community Service Award – Recognizes alumni who have made meaningful contributions to their communities. These contributions do not need to be related to the practice of pharmacy.

Young Alumni Award – Recognizes an outstanding alumnus or alumna within the first 10 years of their professional career.

These awards are traditionally presented at the College of Pharmacy Homecoming Dinner. This year's dinner will be held on Friday, October 23, 2026.

If you know someone who deserves to be recognized, we encourage you to submit a nomination. Additional information about each award and the nomination process can be found at: <https://www.pharmacy.arizona.edu/news/alumni-and-community-awards>
