Rotation spotlight!

The R. Ken Coit College of Pharmacy at the University of Arizona proudly supports Longitudinal Advanced Pharmacy Practice Experiences (LAPPE) for our APPE students.

Banner University Medical Center Phoenix Longitudinal Advanced Pharmacy Practice Experience

The Longitudinal Advanced Pharmacy Practice Experience (LAPPE) will consist of completing all rotation blocks within the BUMCP institution. BUMCP offers the unique opportunity to complete all required and elective APPEs including ambulatory care at one of our internal medicine clinics, community at Banner Family Pharmacy, and various clinical specialties including critical care, internal medicine, cardiology, infectious disease, oncology, emergency medicine, research, and solid organ

transplant. In addition to completing all APPE hours, the selected students will have the opportunity to further develop their curriculum vitae (CV) through continuing education (CE) presentations, journal clubs, multidisciplinary in-services, and research.

Applications due: **9/30/26.**

The Mayo Clinic Arizona

Phoenix

- 368 bed hospital
- Multiple outpatient buildings
- Multiple practice specialties

Scottsdale

- Ambulatory care rotations

APPEs offered: Community, Hospital, Acute Care, Ambulatory (required).

Electives available: Hematology, Oncology, Transplant, Critical Care, Infectious Disease, Emergency Medicine, Administration, Pharmacogenomics.

All APPE students participate in learning activities designed to support practice readiness and include; topic discussions, presentations, seminar hour, and quality improvement. Past LAPPE students have presented posters at Midyear and ACCP.

Applications due: **9/30/26.**

Offers to students will be sent:
11/9/26. Deadline to accept:
11/13/26.
