## The Caldwell Health Sciences Research Fellowships

---

---

Working together as scientists and marriage partners, Dr. George Thornhill Caldwell and Dr. Mary Estill Caldwell devoted nearly a century of teaching and research to the University of Arizona. In honor of their dedication to the development of future scholars, the Caldwell Health Sciences Research Fellowships were established. Research awards are available for deserving graduate students in the Colleges of Medicine, Nursing, Pharmacy, and Public Health.

An award of up to \$3,000 will be given to a College of Pharmacy graduate student who is conducting original research.

### Eligibility criteria are as follows:

1. Applicants should be enrolled as a full-time students in graduate (Ph.D.) programs within the College of Pharmacy, and have an advisor who is a faculty member with a primary appointment in the College of Pharmacy.
2. Applicants should have completed two full academic years and be at least twelve months from completing their Ph.D. degree.
3. Funds will be awarded by the Scholarship Office in the University of Arizona Foundation and can be used to pay for supplies, fees, and research-related travel.
4. The applications are to be reviewed by the Research Affairs Committee and consensus recommendations for awardees are to be forwarded to the Dean for final approval.

The application package should consist of:

- A cover sheet with the Award name, your name, student ID number and your advisor's name
- a two-page research proposal
- a letter of nomination from the applicant's faculty advisor
