Assessment Committee

[Assessment Committee@Pharmacy.Arizona.EDU](mailto:Assessment_Committee@Pharmacy.Arizona.EDU)

SharePoint site: [Assessment Committee SharePoint](#)

The Committee is responsible for advising the Dean and College on assessment steps to continuously improve the effectiveness of all its programs toward meeting its vision, mission, and values. The Committee will assist in an advisory capacity, department heads, and departmental evaluation committees in the annual review of college-wide performance in meeting goals and objectives. In order to orient more Faculty to the assessment processes, no member other than the chair may serve more than three years in a row.

Charges to Committee:

1. Evaluate student proficiency of core competencies via PCOA data and forward findings to the Curriculum Committee.
2. Assess data collected from student portfolios and forward key findings to relevant committees, course coordinators, and/or departments as needed.
3. Monitor student progress in the College-assigned NAPLEX review program and NAPLEX scores.
4. Assist the Curriculum Committee in determining curricular shortfalls in preparing students for PCOA and NAPLEX.
5. In collaboration with the Curriculum Committee, evaluate the curriculum and forward key findings to relevant committees, course coordinators, and/or departments as needed.
6. Monitor results of the AACP/ACPE surveys for the items related to this Committee to determine and remediate any problems that are occurring. Questions to monitor: Monitor all items for Graduating Students; Faculty = #s TBD; Preceptors = #s TBD; Alumni = #s TBD. Note: only the graduating student survey will be conducted annually.
7. Collaborate with and provide support to the ACPE Oversight Committee as needed for assessment of items relevant to accreditation.
8. Assess student participation in co-curricular activities and method(s) of tracking student involvement.
9. Monitor the compliance with the peer assessment of teaching program and provide findings to the Department Chairs and Dean of Assessment and Academic Affairs.
10. Provide assessment tools for use by course coordinators when introducing novel technology, active learning, or other innovative teaching methods into the classroom and support faculty as needed in evaluation of findings.
11. Evaluate student and faculty perceptions of alternative course delivery (flipped, etc.) and how it impacts learning and other outcomes (learning and even how students perceive/feel).
12. Review and revise established timeline within the academic year to begin and review the action items associated with each committee charge.
13. Provide reports to Faculty in July during faculty meetings annually and provide a year-end summary report to Dean by May 23. The final report should include a summary of the year and

brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the SharePoint drive created for the Committee. Items suggested for dean or faculty approval should be provided to the Dean in a timely manner.

Curriculum Committee

Curriculum_Committee@Pharmacy.Arizona.EDU

SharePoint site: [Curriculum Committee SharePoint](#)

The Curriculum Committee conducts systematic examinations of the present professional practice curriculum to identify material no longer relevant to the college goals, material not adequately covered in the curriculum, and needed additions to the curriculum. It develops and revises the curriculum as needed for the pre-professional and professional program and presents these to the Faculty for consideration. The Committee is also charged with reviewing and evaluating the educational program objectives of the College. In order to orient more Faculty to the curriculum processes, no member other than the chair may serve more than three years in a row.

Charges to Committee:

1. Ensure that the curriculum provides an educational program responsive to contemporary and emerging professional roles for pharmacists. Deliberations may be based on, but not necessarily limited to, Joint Commission of Pharmacy Practitioners 2015 Vision Statement (recently updated), 2016 ACPE Standards and Guidelines, and the AACP 2013 CAPE Educational Outcomes.

To ensure that the currently offered curriculum is contemporary and responsive to the emerging roles of a pharmacist, the curriculum committee will:

- Review the current white papers, ACPE standards and Guidelines, and any other relevant guidance documents, including workforce studies
- In collaboration with members of the Assessment Committee, review student outcomes on NAPLEX, MPJE, and PCOA for any curricular needs or shortfalls
- Present an annual report to the Curriculum Committee on the emerging areas of pharmacy practice and research and curricular content that need to be added, enhanced, or expanded.

2. Track the outcomes of courses (established, new, or updated (i.e., change in credit hours/content) with the assistance of the Assessment Committee.

In collaboration with members of the Assessment Committee, the Curriculum Committee will:

- Follow the UA COP process for course review
- Present the findings that are relevant to the Curriculum Committee at least annually. The report to include: 1) areas of distinction 2) areas of improvement (content areas that need to be expanded, improved, reduced, moved.)

3. Ensure UA approval of new/revised courses and/or curricular changes in a timely fashion.
4. Critically evaluate ways the curriculum might be enhanced to differentiate our students from other colleges of pharmacy.

To critically evaluate the curriculum with the goal of continually improving the program and identifying new ways to differentiate our graduates, the Curriculum Committee will:

- Identify various curricular, extra-/co-curricular, electives, and certificate programs provided at the COP and their role in differentiating our graduates
- Assess the results of yearly student interest forms
- Assess workforce needs and how other colleges are responding to those
- Present the findings from a and b as well as proposed recommendations on how to enhance UA COP student competitiveness in the postgraduate training and/or job market to the Curriculum and Assessment Committees at least annually.

5. Enhance incorporation of technology in the delivery of the curricular content and assessments, including efficient remote and/or virtual delivery of those by identifying current and the gaps in technology (instructional technology, learning management systems, all other IT-related systems) used for the delivery of the curriculum and student access to those.

To enhance the incorporation of technology in the delivery of the curricular content and assessments, including efficient remote and/or virtual delivery of those; the Curriculum Committee will:

- Identify/assess the current technology used
- Identify/assess the student access to the technology used
- Identify technology-related needs/gaps
- Identify effective technology/IT-related programs and resources to satisfy the needs/gaps
- Report the findings and recommendations at least annually to the Curriculum Committee

6. Monitor results of the various AACP/ACPE surveys for the items related to this Committee to determine if problems are occurring and remediate any that are detected.

- Present findings and recommendations to the Curriculum Committee annually.

7. Enhance curricular alignment (content, schedule, exams) to enhance student learning, delivery of the curriculum, and student assessments.

To enhance curricular alignment, the Curriculum Committee, with the assistance of the semester champions, will:

- Identify content alignment opportunities
- Identify schedule (major assessments, etc.) alignment opportunities
- Identify and implement ways for course coordinators to collaborate with their schedules.
- Report the findings, recommendations, and outcomes (as available) to the Curriculum Committee annually.

8. For purposes of accreditation and tracking of the curriculum program, the curriculum and assessment committees will collaborate to map the PharmD Forward Curriculum. This will include:

- Mapping curricular content breadth and depth as it relates to ACPE Standards (including CAPE Outcomes/UA COP expected outcomes), EPAs, PPCP, ACCP recommended topics and other areas determined by the curriculum and assessment committee

- Work on curricular mapping and provide an annual report.
9. Contribute to UACOP Strategic Plan 2020-2025 - goal 1. “Prepare UA PharmD graduates and residents to be exceptional leaders and providers of patient-centered care”. This will include:
- Completing item 1.2 from the Strategic Plan, “Include at least one Learning Objective and assessment plan specifically related to providing patient centered care in each course focused on pharmacy practice and map the objective to an assessment within the course.”
 - Reviewing the syllabi of the pharmacy practice courses and determining if those courses are in compliance.
 - Report to the committee at least annually and present % of syllabi in compliance.
10. In order to maintain transparency and include the faculty in curricular decisions, the curriculum committee will provide reports to Faculty in October during faculty meetings annually and provide a year-end summary report to Dean by May 23. The final report should include a summary of the year and brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the SharePoint drive created for the Committee. Items suggested for dean or faculty approval should be provided to the Dean in a timely manner.

Wellness Program Committee

SharePoint Site: [Wellness Program Committee SharePoint](#)

The Wellness Program Committee was established in Fall 2019 as a way to endeavor to integrate well-being from admission to graduation and beyond. Promote student self-awareness and self-care.

Charges to Committee:

1. The Wellness Program Committee will identify wellness areas by mapping out key milestones through an academic career.
2. Educate students on wellness and self-care topics by providing opportunities for them to become self-aware through videos, seminars, elective courses, and other means.”
3. Foster self-care by creating guided experiences.
4. Provide resources to overcome challenges by offering counseling services, online resources, tutoring, referrals.
5. Promote social support by creating opportunities for mentorship through student to peer, student to the organization, student to Faculty, student to alumni relationships.
6. Provide a report to Faculty in November during faculty meeting once annually and provide a year-end summary report to the Dean by May 23. The final report should include a summary of the year and brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the SharePoint drive created for the Committee. Items suggested for dean or faculty approval should be provided to the Dean in a timely manner.
