Curriculum Committee
Curriculum_Committee@Pharmacy.Arizona.EDU
SharePoint site: Curriculum Committee SharePoint

The Curriculum Committee conducts systematic examinations of the present professional practice curriculum to identify material no longer relevant to the college goals, material not adequately covered in the curriculum, and needed additions to the curriculum. It develops and revises the curriculum as needed for the pre-professional and professional program and presents these to the Faculty for consideration. The Committee is also charged with reviewing and evaluating the educational program objectives of the College. In order to orient more Faculty to the curriculum processes, no member other than the chair may serve more than three years in a row.

Charges to Committee:
1. Ensure that the curriculum provides an educational program responsive to contemporary and emerging professional roles for pharmacists. Deliberations may be based on, but not necessarily limited to, Joint Commission of Pharmacy Practitioners 2015 (or most updated) Vision Statement, 2016 (or most updated) ACPE Standards and Guidelines, and the AACP 2013 (or most updated) CAPE Educational Outcomes. To complete will:
   • Review the current white papers, ACPE standards and Guidelines, and any other relevant guidance documents, including workforce studies
   • In collaboration with members of the Assessment Committee, review student outcomes on NAPLEX, MPJE, and PCOA for any curricular needs or shortfalls
     o Present an annual report to the Curriculum Committee on the emerging areas of pharmacy practice and research and curricular content that need to be added, enhanced, or expanded.

2. Review the curriculum by assessing course (established, new, or updated) objectives, content, and outcomes and alignment with curriculum map with respect to ACPE Appendix 1 Elements and CAPE Outcomes & Objectives. To complete (in collaboration with the Assessment Committee), will:
   • Follow the UArizona RKCCOP PharmD Curriculum/Course Review Process Policy
   • Pilot and optimize the stepwise approach and timeline of the review process to include all courses
   • Present the findings of the pilot and the proposed review timeline at the end of first quarter (November 2022)
     o Present the findings that are relevant to the Curriculum Committee at least annually. The report to include: 1) areas of distinction 2) areas of improvement (content areas that need to be expanded, improved, reduced (curriculum hoarding), moved.)

3. For purposes of accreditation and tracking of the curriculum, the Curriculum and Assessment Committees will collaborate to ensure mapping of the PharmD Forward Curriculum is kept up to date. To complete, will:
   • Work closely with those completing charge 2 and ensure that the curricular map is aligned with what is delivered by courses.
   • Continue to map curricular content breadth and depth as it relates to ACPE Standards (including CAPE Outcomes/UA COP expected outcomes), EPAs, PPCP, ACCP
recommended topics and other areas determined by the curriculum and assessment committee
• Provide an annual report

4. Ensure UA approval of new/revised courses and/or curricular changes in a timely fashion.

5. Critically evaluate ways the curriculum might be enhanced to differentiate our students from other colleges of pharmacy. To complete, will:
   • Identify various curricular, extra-/co-curricular, elective, and certificate programs that are provided or need to be offered at the RKCCOP and their role in differentiating our graduates
   • Assess the results of yearly student career interest forms
   • Assess workforce needs and how other colleges are responding to these needs
     o Present the findings as well as proposed recommendations on how to enhance UA COP student competitiveness in the postgraduate training and/or job market to the Curriculum and Assessment Committees at least annually.

6. Enhance incorporation of technology and digital health in the delivery of the curricular content and assessments including efficient remote and/or virtual delivery of and effective use of EHR-Go. To complete, will:
   • Assess and identify gaps in the current technology used as well as issues with student access
   • Identify effective technology/IT-related programs and resources to satisfy the needs/gaps
     o Report the findings and recommendations at least annually to the Curriculum Committee
   • Monitor EHR-Go implementation progress and use
     o Report the status of implementation of HER-Go monthly to the Curriculum Committee

7. Monitor results of various AACP/ACPE surveys and internal surveys (i.e., those obtained by semester champions) for the items related to this committee, identify problems/concerns, and provide action plans for continuous quality improvement of the existing curriculum.
   • Review previous year’s reports and propose action plans
   • Work with Calculations and Senior Research Project Course coordinators to provide support for identified need
     o Present findings and recommendations to the Curriculum Committee annually.

8. Enhance curricular alignment with regards to content, exams, and schedule to optimize effective use of active in-person curricular time and intentional alignment of in-person and virtual course schedules. Enhance efficiency of time, resources, and overall enhance student learning, delivery of the curriculum, and student assessments.
   To complete (in collaboration with semester champions and individuals in charge of scheduling), will:
   • Standardize semester champions approach and survey
   • Identify and act on content alignment opportunities
   • Identify and implement exam/major assessment schedule alignment opportunities
   • Identify and implement ways for course coordinators to collaborate with their schedules in terms of
     • assignments, quizzes, etc.
   • Ensure effective alignment of schedule for in-person and virtual courses
• Report the findings, recommendations, actions, and outcomes (as available) to the Curriculum Committee at least annually.
• Report to the committee at least annually and present % of syllabi in compliance.

9. In order to maintain transparency and include the faculty in curricular decisions, the curriculum committee will provide reports to Faculty in October during faculty meetings annually and provide a year-end summary report to Dean by May 23. The final report should include a summary of the year and brief minutes and the attendance of each meeting held. A summary of attendance should be provided in the body of the report. Minutes and the final report should be posted in the SharePoint drive created for the Committee. Items suggested for dean or faculty approval should be provided to the Dean in a timely manner.
